I knew it was you who would tame me.  
You light the fire in my heart.  
Love of my life you enflame me.  
I'll never let you go. I really love you so. You'll always be my love.

Say you'll be mine you won't leave me.  
Promise I'll always be true.  
Together in love please believe me.  
Forever in my heart. Never shall we part. I really love you so.

Hold me.  
Let my spirit surround you.  
Let me build my world around you.  
You're the one I adore.  
Kiss me.  
And your love will enslave me.  
What a blessing God gave me.  
When He made you for me.

So long had I known only sadness.  
'Til the light of your love shone on me.  
You saved me from all of this madness.  
Just as the world began. One Woman and One Man. I really love you so.

Hold me.  
Let my spirit surround you.  
Let me build my world around you.  
You're the one I adore.  
Kiss me.  
And your love will enslave me.  
What a blessing God gave me.  
When He made you for me.
